About

I am an entry level front-end developer. Making small projects for small businesses to grow. Technology is my passion, and learning something new is what I seek in life.

Skills

Education

Universitas Gadjah Mada

Elektronika dan Instrumentasi
2008

SMA 1 Wonosobo

2005

Projects

Personal Website

A website that I made using Gatsby and Org-Mode

Wonosobo Interactive Map

An interactive map of Wonosobo tourism attractions.

Automatic Pnumatic Press

This is a pneumatic press controller for automatic plastic cup sealing machine. The main function is to control a solid state relay which in turn controls a pneumatic solenoid valve in a set duration.
